PROFESSIONAL SUMMARY

Programmer Analyst at Cognizant with hands-on experience in insurance-domain quality assurance and Guidewire testing across PolicyCenter (PC), BillingCenter (BC), and ClaimCenter (CC). Experienced in manual testing, test design and execution, defect reporting, and Tosca-based testing exposure; used AI-assisted tools to support testing activities. Completed training in Selenium automation and Cucumber, with a foundation in Python, SQL, Excel, and data analytics.

TECHNICAL SKILLS

Guidewire & QA: PolicyCenter (PC), BillingCenter (BC), ClaimCenter (CC), Manual Testing, Test Design, Test Case Preparation and Execution, Defect Reporting, Tosca

Automation: Selenium (training), Cucumber (training), Automation Testing Fundamentals

AI & Developer Tools: GitHub Copilot, AI-assisted testing workflows, Git/GitHub

Data & Programming: Python, SQL/MySQL, Microsoft Excel, Tableau, Power BI, Pandas, NumPy

Professional: Documentation, Data Quality, Problem Solving, Cross-functional Collaboration

PROFESSIONAL EXPERIENCE

Cognizant | Programmer Analyst | May 2025 – Present

- Contributed to insurance-domain testing assignments involving Guidewire PolicyCenter (PC), BillingCenter (BC), and ClaimCenter (CC).
- QBE project: performed testing across Guidewire PC, BC, and CC; prepared and executed test scenarios, validated application behaviour, and documented defects and results.
- Used Tosca in testing activities and AI-assisted tools to support test-related work.
- IAG implementation project: carried out manual testing across Guidewire PC, BC, and CC and documented execution outcomes.
- Completed learning/training in Selenium automation and Cucumber as part of automation testing upskilling.

KultureHire | Data Analyst Intern | June 2024 – September 2024

- Analyzed 500+ survey responses to identify Generation Z career preferences and patterns in job attributes such as flexibility and growth opportunities.
- Improved data accuracy by 95% by optimizing Excel workflows for data cleaning, standardization, and organization.
- Built interactive dashboards to communicate findings and support stakeholder decision-making.
- Collaborated with teams across 4+ departments on data-driven initiatives.

Fritty | Data Collection & Collation Intern | June 2024

- Verified 1,000+ data entries and cross-referenced information from multiple sources to improve data reliability.
- Researched 200+ events and consolidated accurate event information for the platform.

SELECTED PROJECT EXPERIENCE

QBE Insurance Project | Guidewire Quality Assurance

Tools: Guidewire PolicyCenter, BillingCenter, ClaimCenter, Tosca, AI-assisted testing

- Performed testing across Guidewire PolicyCenter, BillingCenter, and ClaimCenter in an insurance-domain project.
- Prepared and executed test scenarios, validated functional behaviour, and documented defects and test outcomes.
- Used Tosca and AI-assisted tools in support of testing activities.

IAG Implementation Project | Guidewire Manual Testing

Tools: Guidewire PolicyCenter, BillingCenter, ClaimCenter, Manual Testing

- Performed manual testing for Guidewire PolicyCenter, BillingCenter, and ClaimCenter as part of an implementation project.
- Executed test scenarios and recorded results and issues for review.

CERTIFICATIONS & TRAINING

- Guidewire PolicyCenter (PC) – Certification completed

- Guidewire BillingCenter (BC) – Certification completed
- Guidewire ClaimCenter (CC) – Certification completed
- GitHub Copilot – Related certification completed
- Google Data Analytics Professional Certificate
- Accenture North America Data Analytics & Visualization Job Simulation
- SQL Bootcamp (Udemy) | Advanced Excel (Udemy) | Data Standardization Framework (KultureHire)

EDUCATION

Bachelor of Engineering (B.E.) – Information Technology

Dr. D. Y. Patil Institute of Technology, Pimpri, Pune | Graduated 2024
